Middle School Weekend

A WORD FOR PARENTS

Who is running this weekend? The weekend is organized and ran by SO-FLO, the South Florida PCA Student Ministry, which consists of youth pastors from churches in Miami-Dade, Broward, & Palm Beach counties. SO-FLO is renting out the Life for Youth Camp in Vero Beach facilities for this event.

What kind of supervision will there be? The students will be supervised at all times by the leadership of each church. Each church's counselors will travel, lodge, and supervise the students the whole weekend.

How are we planning to get there? Each church will be providing transportation adequate to the size of their group. Contact your Youth Worker at your church for specifics.

Is there a schedule of activities? The entire weekend is organized to keep the students busy with meetings, meals, and fun activities, including a wake up time and a lights out time. Free time will be provided for the students to participate in the camp's many activities. Students will be fully supervised at all times by the local church leaders.

Will my student be safe? The entire weekend is designed with the safety of the students in mind. As with all activities, the possibility exists for accidents and injuries to occur. Measures will be taken to maintain the highest level of safety while students enjoy the activities.
